Deliverable: Local Advertisers Module v0.2

April 21, 2009

Author: Matt Glass

# Local Advertisers

Local advertiser button ads module.

1. Optional title.  
HTML text or graphic.
2. IAB standard ad unit 'button' 120 by 60px.  
8 button ads maximum.  
Ads served through Yahoo APT.  
If no ads are served module should disappear.  
See example for layout handling.
3. Additional teaser text supplied by advertiser.

## Examples

Layout handling for odd number of ads.
